

## YOU SET ME FREE

He was born in a manger,  
In the midst of all the danger,  
He knew the scriptures well,  
And not even once He fell,  
All He did was good,  
For righteousness He stood,  
But He still had to pay the penalty

Ch:

Why did you love a sinner like me?  
Why did you give your life on Calvary?  
Why didn't you save yourself from that tree?  
Oh Lord you did it to set me free! (2)

He took a lonely road,  
He walked a lonesome path,  
Carrying a heavy load,  
All of God's wrath,  
The burden that He bore,  
The body that was torn,  
The pain that He felt for you and me.

Ch:

He rose up from the dead,  
Or else nothing would have been said,  
He went up to the father,  
His trophies to gather,  
All who'd believe in Him,  
And trust Him as their Saviour,  
He lives in you his love to impart.

Ch: (repeat)

## BLESSED

Blessed are the poor in spirit  
Theirs is the kingdom of God  
Blessed are they that mourn  
They shall have comfort

Ch:

You are the salt of the earth  
You are the light of the world  
So tell them about my love  
Tell them that I care

Blessed are the gentle  
For they shall have the earth  
Blessed are those who want righteousness  
They shall be content

Ch:

Blessed are the merciful  
For them I'll show mercy

Blessed are those who make peace  
I'll call them my sons

Ch:

Blessed are those who've been persecuted  
They shall have heaven  
Blessed are you if they talk against you  
There's a price for you

## HIS SON

A certain man had two sons  
The younger one said he wanted, his will done  
Give me all that belongs to me  
I have my plans so let me be  
He took his things and went far away  
All his money he then displayed  
So many friends he made on the way  
But when he was broke there was no one to stay

Ch:

I am not worthy to be called your son  
I spent all the money, had my fun  
Now I have none and my life is done  
Please let me be your hired one

There was no food in the land  
So much of hunger I couldn't stand  
Any job I'll do I said  
So with the pigs I stayed and fed  
Why Oh Why did I leave my dad  
I never thought it could be so bad  
His servants have a better time  
And they don't spend a dime

Ch:

I couldn't believe he was running to me  
I thought only, hatred I would see  
Suddenly I felt a beautiful warmth  
A loving kiss and my father's arms  
Bring a robe, sandals and ring  
Let us be merry, let us sing  
My son was lost and now is found  
I've been blessed more than I can count

Ch:

This is the story of my father's love  
The almighty one in heaven above  
To pay my debt He send His son  
Forgiving my sins over satan He won  
You don't have to be slave no more  
Rather a son whom He adores  
Just come to your senses while you can  
He loved you before the world began

Ch:

## HE LEADETH ME

The Lord is my Shepherd  
He is all I want  
He makes me to lie in green pastures  
Though I walk through times of trouble  
I still will fear no evil  
For you are with me your rod and staff they comfort me, they comfort me

Ch:

He leadeth me (3)  
Besides the quiet waters (2)

You make my enemies  
Small before me  
You anointed me with oil  
My heart overflows with joy  
Your love and goodness they follow me  
And I want to dwell in your house want to be with you forevermore, forevermore

Ch:

He leadeth me (3)  
Besides the still waters  
He loveth me (3)  
He gave His life for us all.

## THE TRUTH, THE LIFE, THE WAY

I'd love to tell about the love of Jesus  
He gave His life for all mankind  
We were like lost sheep scattered in the fields  
He found us and put us on His shoulders.

Ch:

He is the truth, the life, the way  
When I met Him one precious day  
He came into my heart  
He came in there to stay  
He'll be my Lord, my king always.

When you are alone, feeling sad  
Call to Him and He'll be glad  
The beauty of His grace will shine on your face  
On Jesus will be your gaze.

Ch:

There is there now no condemnation  
No worries on judgment day  
He is coming back Oh! Yes someday  
Then we will be with Him always.

Ch:

## IT'S TRUE

You took one look at me  
And you knew what I would be  
I don't know, how you could see  
While you were hanging on the tree

Ch:

But I know it was true  
And it was only because of you  
Thank you for choosing me  
Suffering and paying the fee

Being born as a carpenter  
They thought that you couldn't be the one, the one  
All they did was make some fun  
They didn't believe you are the son

Ch:

Your silence they thought was weakness  
I only wish they knew  
You were a sheep before its shearer  
A lamb that was led to slaughter

Ch:

They were thrilled when you died  
You could feel the relief when they sighed  
They never thought you'd come alive  
Impossible to survive

## AS AN INCENSE

Prayer is talking to the father  
All our news he would like to gather  
He just knows what's in our heart  
All we need to do is make a start

Ch:

As an incense it goes up to His presence  
A sweet fragrance that tells Him all our need  
He is waiting to hear our sweet voices  
To ask Him before we make our choices

Prayer is telling Him our needs  
Asking Him to show the path to lead  
He wants us to come before His presence  
To teach us the most important lessons

Ch:

Prayer is asking Him for the others  
The needs of your sisters and brothers  
He wants you to stand in the gap  
Before you can take a nap

Ch:

Prayers is thanking Him for the day  
To forgive the mistakes you made  
He wants to fill you with His love  
A peace like none other from above.

Ch:

As an incense (repeat 3 times)

## NOT THE BETTER MAN

I could see a huge crowd  
Even from a distance they seemed so loud  
Jesus was passing through Jericho  
I too felt that I must go  
I saw a short man climb up a tree  
No other option if he wanted to see  
It looked liked Jesus was walking up to me  
But he stopped short and looked up the tree

Ch:

Aren't I a better man  
I live a good life and love my wife  
Give to the poor, go to the temple for sure  
But Salvation has come to that house

To Zac He said come down now  
I want to be with you while I am in town  
He was down so fast, let's have lunch he asked  
Jesus and He were off in a flash  
Suddenly there was no more noise,  
Just a low pitched hum of many a voice  
Doesn't He know what this man has done  
Took all the money and gave us none

Ch:

Then Zac stood up and said to the Lord  
Half my stuff I'll give to the poor  
To those I've cheated I'll surely give more  
Please forgive me and make me pure  
Jesus spoke and He was loud  
Zac is a son of Abraham  
It's for people like him I've come as a lamb  
I am not looking for the better man

## SAVED

Dear Lord I give you my soul tonight  
I love you Lord, please come to me  
I want to love you forever more  
Holy Spirit please help me.

Ch:

He came into this world  
And died for you and for me  
Took the burdens on the cross  
And set us free  
He was mocked and despised  
They crucified our Christ  
In Him is our victory.

What joy it is for us to know Him  
To be a part of God's family  
What a joy to know that He loves you  
A sinner like you and me

Ch:

How beautiful it is to be in unity  
Looking for our Lord on Calvary's tree  
He suffered the shame, took all the blame  
Cause He loved you and me

Ch:

I know the plans I have for you says the Lord  
Plans to prosper you and me  
I know that you're often troubled  
My child please rest in me.

## THE GIFT

Waiting for seven, long years  
Hoping you would come  
Dreamt about, holding you  
Even imagined, seeing your face  
Year by year the dread increased  
More and more I feared  
Faith was beginning to dim out  
As a candle reaching its base  
Seeing the kids, playing around  
No longer could I face  
Answering all the questions  
Of many a year gone by  
Dreading to meet the people you know  
Shying away from the crowd  
Just on our knees, to the Father, above

Ch:

Father, I can't imagine the pain  
That you've been through  
To let your only, Son be slain  
Crucified for me  
Hear Him cry on the cross, O God,  
Why you forsaken me  
O how much, you must, love me

Then like a miracle  
At the least expected time  
God heard our cry for help  
And blessed us with you, my child  
Holding you, playing with you  
Watching you as you grow  
Now you are a year old  
And our love for you has grown  
Seeing your many, expressions  
Seeing you as you laugh  
Holding your hand, as you walk  
Then gently, letting you go  
Rocking you as you fall asleep  
The face of an angel  
Now we can't, imagine a life without you.

Ch:

## THE LOVE OF THE CROSS

When I was lonely feeling blue,  
Hiding my fears my sadness grew,  
Squandering my time in the pleasures of sin,  
I found no satisfaction.  
When I was scared alone and depressed,  
Trying to fight my troubles,  
I heard the knock of the Lord Jesus,  
He said in me there's rest.

Ch:

You came into my life and saved me from damnation,  
I live today and I owe it all to you,  
You loved me on the cross, and now I love you too.

Hear my voice when I cry O Lord,  
Be merciful and answer,  
My heart says of you seek His face,  
Your face O Lord I'll seek,  
Every day I felt so new,  
The more I learned about you,  
You sacrificed yourself O Lord,  
My life I give to you.

Ch:

You are my light and my salvation,  
There's no one that I'll fear  
You are the stronghold of my life,  
I shall not be afraid.  
One thing that I ask of the Lord,  
And that is what I'll seek,  
That I may dwell in the house of the Lord,  
As long as I live.

Ch:

## AT HIS FEET

Mary came into the room,  
And fell at the feet of Jesus  
Tears wiped it clean,  
And she dried it with her hair  
Jesus looked and saying to her,  
I know your sins and they are many  
But now you're forgiven; now you're free  
Go and sin no more

Ch:

At His feet, At His feet  
At the feet of Jesus  
He bled and died as a sacrifice  
There's repentance, repentance for you

Jarius a ruler of the synagogue  
Saw Jesus a little ways  
He fell at His feet,  
Saying come and heal my daughter  
As they went up to the house  
She was lying dead in her body  
He took the damsel by her hand,  
Saying to her arise

Ch:

At His feet, At His feet  
At the feet of Jesus  
He gave His life as a sacrifice  
There's Salvation, Salvation for you (2).

## IN EVERYTHING GIVE THANKS

In everything give thanks for the one who's made thee  
Give thanks to the one who knows your name  
He understands how you feel  
He knows what's best for you  
In everything, in everything give thanks.

Ch:

Give thanks to the Lord Almighty  
He loves you more than you can see  
The cross lies as a witness, of the pain He bore for you  
In everything, in everything give thanks (2)

He knows that you have a definite problem  
He knows that you are in pain  
Remember He lived here  
Just like you and me  
In everything, in everything give thanks.

Ch:

You think that it's more than you can take  
No its not He knows what you can bare  
There is a way of escape  
Just look around you  
In everything, everything give thanks.

Ch:

All we need to do is just to trust Him  
He knows about the plans He has for you  
He is the maker, he is the breaker  
He'll mould you in His way  
In everything, in everything give thanks (2).

Ch:
